Talk RRSP's at your next Staff meeting

Now that income tax is done, a Notice of Assessment (NOA) will follow the submission of your tax return. This is a great time of year to review what RRSP room is with your staff. The NOA provides the RRSP deduction limit statement for 2014. It is important that your staff do not exceed their RRSP limit. Start budgeting today for 2014 and take away the stress of the RRSP deadline and lack of cash. More information on NOA's can be found here. ❖

First Aid for Mental Health

SPP was very excited to participate in the Mental Health event held in Saskatoon on May 8th. Thanks to those who attended the event and to Jeff Richards, Sandy Stotz (Labour Liason, CMHA Saskatoon) and Sam Corbett (The Sheepdogs). Nearly \$5000 was raised by the event to help the Saskatoon branch of Canadian Mental Health. Remember, financial stress can cause mental stress and be a trigger to mental illness.
