Gail's Message

Greetings Everyone,

Fall has arrived and soon we will be celebrating our first holiday, Thanksgiving. Let me start by saying "Thank you for thinking about your employees' future". Sadly I meet many people on a daily basis that do not have a workplace pension. By offering Saskatchewan Pension Plan you are giving your employees the opportunity for a stream of additional income for the rest of their life. That is huge - so indeed, thank you.

We appreciate your trust and confidence in Saskatchewan Pension Plan as your workplace pension. Please contact me if you know others we could help.

Gail - Manager of Business Development ❖

October is Small Business month

In June 2014 the Canadian Federation of Independent Business (CFIB) announced that Saskatchewan is leading the nation in reporting the health of their business as "good". Congratulations on being a part of this exciting statistic.

As part of Small Business month, Gail is busy participating in several events around the province. Derek Foster, Canada's youngest retiree will be joining her at several speaking engagements. Derek is a down-to-earth investor who used simple concepts to meet his Freedom 34 goal. He believes SPP is very easy to use, that costs are low and has a very long-term track record. Derek will be at the October tradeshows with Gail and will be attending the NSBA breakfast in Saskatoon, October 24 and the Community Futures meeting in Kindersley, October 30th. If you are interested in meeting Derek or attending one of the meetings, call the SPP office in Kindersley.

Do you use Ceridian?

We are excited to offer you a new feature. SPP is now available on the Ceridian platform.

Leaving on a jet plane?

It could be you! Refer a friend, transfer an existing RRSP to your SPP account or become a new member and your name will be entered for a \$500 gift voucher from Uniglobe Travel.
